

CALL FOR APPLICATIONS- IPPF Global Youth Connect "Grants Management Team"

The Global Youth Connect platform is a virtual electronic platform established by the International Planned Parenthood Federation (IPPF) and hosted by Reproductive Health Uganda (RHU) with the overall aim of strengthening global coordination around youth participation, leadership and improve the communication of IPPF youth networks. The platform specifically performs three core functions:

- 1) Collation, sharing and debating youth participation practice (tools, standards, policies, ideas)
- 2) Connecting and amplifying IPPF youth communications channels
- 3) Scanning for and share opportunities to advance the IPPF youth agenda i.e. training, grants, advocacy forums etc.

As an integral component of the Global Youth Connect, the platform will run a scheme through which the platform shall run a competitive youth innovation fund. The fund will be open to Youth Action movement members within the federation. To manage the grants management processes as well as enhance transparency and accountability, the platform will establish a 5-member core team (Youth Grants Management Team) comprised of youth volunteers from the federation. This team will be supported by co-opted staff of the Host Member Association (MA).

The youth grants management team will receive routine capacity building on vast aspects of youth participation and leadership and grants management.

Composition of the Youth Grants Management Team:

Representatives will be drawn from the Six regions including: Africa Region (Nairobi), Arab World (Tunis), East and South East Asia and Oceania (Kuala Lumpur), European Network (Brussels), South Asia (Bangkok hub and Delhi sub-office) and Americas and the Caribbean (Colombia and Trinidad). Considering the unbalanced composition of association membership in these different regions in comparison to the required number of people for the youth grants management team, the applications shall remain open to any young person that fits the required criteria. Preference will be given to the young people whose MAs do not have representation in the youth think tank.

NB: The chair person of the youth think tank shall also be a de-facto member of the youth grants management team.
